Pre-Tenancy Cleaning Checklist

When you are moving in a new property a pre-tenancy cleaning will ensure the place is clean and fresh as if new.

Sunny Clean's dedicated pre-tenancy cleaning teams work following a checklist in order to make sure after the service the place is perfectly cleaned and sanitised, without any dust, stains or dirt.

Below you will find the Pre-tenancy Cleaning Checklist which is to be followed when a clean before moving in is carried out.

CONTENTS

The checklist covers the activities included in the pre-tenancy cleaning service:

- Deep clean of the [kitchen](#)
- Deep clean of the [bathroom](#)
- Thorough clean of all the [other rooms](#) in the property
